

PRESS RELEASE

LIVE DREAM COLORADO DONATES A PORTION OF THEIR 2016 ANNUAL PROCEEDS TO TRAILS AND OPEN SPACE COALITION TO HELP PROTECT NATURAL OUTDOOR PLACES IN COLORADO SPRINGS

COLORADO SPRINGS, CO – December 1, 2016: Live Dream Colorado donates a portion of their 2016 annual proceeds to Trails and Open Space Coalition to Help Protect Natural Outdoor Places in Colorado Springs.

Live Dream Colorado with Epic Real Estate Group, which is comprised of Realtors® Lauren D Collier and Rob Hoben, recently donated \$1,785 to Trails and Open Space Coalition (TOSC). TOSC works to preserve open space and parks, and to create a network of trails, bikeways, and greenways for the Pikes Peak Region. The work of TOSC helps make and keep Colorado Springs a beautiful, unique, and desirable city of choice for employers and for people of all ages. Collier and Hoben, residential real estate brokers in central Colorado Springs, pledge a portion of their annual proceeds to local charity and commit to continue support for TOSC on an annual basis.

On December first, Collier and Hoben delivered a check in the amount of \$1,785 to Trails and Open Space Coalition in the presence of Susan Davies, Executive Director, and Eileen Healy, Outreach Director. Collier & Hoben have been quoted saying, “Through our work and only with the support of our many loyal clients, we give back to the local causes that make Colorado Springs the best place to live.”

This was just a small way they give back to say Thank You to the nonprofits that do so much for all of us and our community.
